STATION 2: 7850 LOVELACEVILLE ROAD, PADUCAH KENTUCKY 42001

PHONE: 270-442-2496

EMERGENCY: 911

HOLD HARMLESS CONCEALED CARRY

I _____ understand that:

- Kentucky law allows firefighters to carry legally permitted weapons while at work.
- Concord Fire Department would rather that its firefighters not carry weapons while at work, but Concord Fire Department cannot prevent a member from doing so.
- Carrying a weapon or loaded firearm while in quarters or during emergent and/or non-emergent District business could result in a hazardous situation.
- Leaving a weapon or loaded firearm unsecured in quarters or on/in a vehicle could result in a hazardous situation.
- If I choose to carry a legally permitted weapon while at work, Concord Fire Department does not condone such action, and I may be held personally liable for any and all harm that results from intentional or unintentional use or discharge of my weapon.

I indemnify and hold harmless the Concord Fire Department, its Board of Trustees and its officers in the event of harm to any party as a result of intentional or unintentional use or discharge of my weapon.

Member, Concord Fire Department

Bob McGowan Chief
Concord Fire Department
